strelo®
where strategy & humanity meet

team development

tailored group experiences that move you from misalignment to momentum

our position and promise

Bringing a team together to accomplish something meaningful should be more than time well spent.

As designers, we work with you to create the right conversations that help you achieve the outcomes your team and organization need.

As facilitators, we bring meaningful, real conversations to life, and support your team in creating shared clarity, alignment, and action.

As a leader, you get to lean into your role, clear and focused on what matters most.

what you get

- **Custom sessions** designed *with* you, grounded in your team's real needs and goals
- **Experienced, human-centered facilitation** that increases trust and alignment
- Space to surface tensions, address misalignment, and **move through what's messy**
- A process that generates **next steps that are actionable**, not just aspirational
- **Ongoing support** before, during, and after, so the work sticks

what clients say

"Strelo's facilitation during our strategic planning process was fantastic. **They helped us get aligned on our key goals and create a roadmap we could all rally behind.**"

GENNA C, PRESIDENT AND PARTNER, AKOYA COMMUNICATIONS

"We were in a hard dynamic—us versus them, misinformation—and needed to rebuild culture. **Strelo brought healing and repair, not just a training.** They aligned with my vision: more relational, less transactional. Once you build the relational part, the work can come."

ROBYN A, CHIEF PEOPLE OFFICER, NATIONAL RESOURCE DEFENSE COUNCIL

OUR MISSION

Our mission is to guide change with strength and love, so people, teams, and culture move forward together
